

# Thematic Axes

Axis 1	<b>Health: What for and for Whom?</b>
Axis 2	<b>Health and the Crisis of Deterministic Thinking, the Society of Ignorance, and Complexity as a Formative Challenge.</b>
Axis 3	<b>The Need to Transform Health Professionals' Education Towards a Higher Education System with a Future Outlook.</b>
Axis 4	<b>The Relevance of Model Academic Medical Centers for Primary Health Care.</b>
Axis 5	<b>New Futures in Training for Complexity, Ecosystemic Education, Organization, and Technology.</b>
Axis 6	<b>New Frontiers in Medicine.</b>

Tuesday, June 18

Wednesday, June 19

Axis 1. Health: What for and for Whom?

Axis 2. Health and the Crisis of Deterministic Thinking, the Society of Ignorance, and Complexity as a Formative Challenge.

Issues in Medicine: Inclusion, Equity, and Justice in Medical Education

Foyer Los Tapices	Los Tapices	Reino de Granada	Reino de Aragón	Teatro El Cid	Dofia Sol	Reino de Castilla (Oficina)
-------------------	-------------	------------------	-----------------	---------------	-----------	-----------------------------

Time	Location	Activity	Coordinator	Other
8:30 - 9:15	Los Tapices	Keynote Lecture "The Future of Health in Mexico" <i>Octavio Gómez Dantés</i>	Coordinator: Julio Gómez	Coordinator: Luis Méndez
9:15 - 9:35	Official Photography			
9:35 - 10:00	Inauguration of Commercial Area			
10:00 - 10:45		Conference "Planetary health as part of the social responsibility of medical schools" <i>Julien Poitras</i>		Conference "Complexity, primary care, and medical education" <i>Goncal Mayos</i>
10:45				Book Presentation "Learning about Primary Health Care" Commenting: Leobardo Cuevas Domingo Vázquez
11:00 - 11:20	Registrations	Panel Discussion "One Health for the sustainable life of the planet" Coordinated by: <i>René Crocker</i> <i>Julien Poitras</i> <i>Felipe Lozano</i> <i>Liliana Arias</i>	Conference "Safe medical practice space, what have we done and where should we go?" <i>Mónica del Carmen Preciado</i>	Panel Discussion "Implications for education in a society of ignorance and complexity" Coordinated by: <i>Luis Felipe Abreu</i> <i>Goncal Mayos</i> <i>Ana Carolina Sepúlveda</i> <i>Pablo Casillas</i>
12:00 - 12:45	Visit and Evaluation of Posters	Conference "How to Improve Training in Bioethics?" <i>Carlos Viesca</i>	Conferencia "Diversity, equity, and justice in medical education" <i>Liliana Arias</i>	Conference "The society of ignorance, uncertainty, and complexity: Implications for higher education" <i>Antoni Brey</i>
12:45 - 14:00		Panel Discussion "How to develop humanities and ethics for health?" Coordinated by: <i>Mayela Rodríguez</i> <i>Carlos Viesca</i> <i>Alfredo Díaz Alejandro</i> <i>Haydeé Parra</i>	Panel Discussion "Violence in medical residencies" Coordinator: <i>Liz Hamui</i> <i>Maria Alejandra Sánchez</i> <i>Tania Vives</i> <i>Francisco Paz</i>	Panel Discussion "Educating for complexity and self-fulfillment" Coordinator: <i>Ramón Esperón</i> <i>Antoni Brey</i> <i>David Servin</i> <i>Antonio Barajas</i>
14:00 - 14:30	Visit and Evaluation of Posters			
14:30 - 15:30	Lunch			
15:30 - 18:30		Workshop "Virtual Simulation" <i>Maria de J. Garcia</i> <i>Margarita Melgoza</i> <i>Gullermo Yanowsky</i>	Workshop "Model for the comprehensive training and well-being of healthcare professionals" <i>Haydeé Parra</i> <i>Ana Carolina Sepúlveda</i> <i>Akemy Harumy Tsuyi Loya</i>	Workshop "Healthcare in the environments where people live and works" <i>René Crocker</i> <i>Carlos López</i> <i>Cristina García</i>
20:00 - 21:00	Dinner at leisure			

Thursday, June 20, 2024

Axis 3. The Need to Transform Health Professionals' Education Towards a Higher Education System with a Future Outlook. □

Axis 4. The Relevance of Model Academic Medical Centers for Primary Health Care.

Foyer Los Tapices	Los Tapices	Reino de Granada	Reino de Aragón	Teatro El Cid	Doña Sol	Reino de Castilla
-------------------	-------------	------------------	-----------------	---------------	----------	-------------------

Walk on the beach with Araceli Date: La Concha Restaurant, Cid el						
6:00 - 7:00		Coordinator: Monica Preciado		Coordinator: Alfredo Diaz Alejandro		
8:30 - 9:15		<b>Keynote Lecture</b> "The global burden of disease and its utility in the training of healthcare human resources" <i>Rafael Lozano</i>	Contest "Virtual Patient Challenge" Closed event			
9:15 - 10:30	<b>Panel Discussion</b> "Development of competencies of medical educators" Coordinated by: <i>Juán Víctor Lara</i> <i>Rafael Lozano</i> <i>Jordi Pales</i> <i>Demian Szyld</i>	<b>Panel Discussion</b> "Model centers for interprofessional learning of Primary Health Care" Coordinated by: <i>Carlos López</i> <i>René Crocker</i> <i>Madalena Patricio</i> <i>René Méndez</i>				
10:30 - 11:15	Registrations	<b>Conference</b> "What is industrialized Medicine and how to overcome it?" <i>Maggie Breslin</i>		<b>Conference</b> "Redesigning primary care for person-centered and socio-environmentally focused care" <i>Luis Felipe Abreu</i>		
11:15 - 11:30	Trade show - Coffee Break					
11:30 - 12:45		<b>Panel Discussion</b> "Adaptive and personalized medicine, new perspectives from medicine and biomedical engineering" Coordinated by: <i>Ramón Esperón</i> <i>Monica Preciado</i> <i>Maggie Breslin</i> <i>Serafin Castañeda</i>		<b>Mesa Panel</b> "Primary care in the Americas: Challenges, obstacles, and solutions" Coordina: <i>Liliana Arias</i> <i>Marcos Núñez</i> <i>Victor Lara</i> <i>Ángel Pellegrino</i> <i>Lina Vera</i> <i>Miguel Fernando Farfán</i>		
12:45 - 13:30		<b>Conference</b> "Future perspectives on the evaluation and accreditation of higher education institutions" <i>Ricardo León</i>		<b>Conference</b> "Breaking paradigms: The future of teacher training and development in Medical Education" <i>Demian Szyld.</i>		
13:30 - 14:15		<b>Panel Discussion</b> "New trends in the evaluation of medical education institutions" Coordinated by: <i>Mayela Rodríguez</i> <i>Jesús Hernández</i> <i>Fco Montes de Oca</i> <i>Ricardo León</i>		<b>Panel Discussion</b> "SimZones and Curricular integration of simulation" Coordinated by: <i>José Luis García</i> <i>Demian Szyld</i> <i>Ariana Cerón</i> <i>Margarita Melgoza</i> <i>Elena Ríos</i>		
14:15 - 14:45	Visit and Evaluation of Posters				<b>PAFAMS</b> Closed event "Deans Meeting of Central America and the Caribbean"	
14:45 - 15:45	Lunch					
15:45			<b>Workshop</b> "Design of the Plan for the Curricular Integration of Clinical Simulation" <i>Sara Morales</i> <i>Elena Ríos</i> <i>Ariana Cerón</i> <i>Moisés de los Santos</i>	<b>Workshop</b> "Teacher training for Primary Health Care (PHC)" <i>Mayela Rodríguez</i> <i>Alfredo Diaz</i> <i>María de la Paz Hernández</i>	<b>PAFAMS</b> Closed event "General Assembly"	
16:00 - 18:45		<b>Workshop</b> "How to design a flexible curriculum with emphasis on PHC and academic medicine?" <i>Haydeé Parra</i> <i>Luis Felipe Abreu</i>				
20:00 - 21:00	Dinner at Leisure					

Friday, June 21

Axis 5. New Futures in Training for Complexity, Ecosystemic Education, Organization, and Technology.

Axis 6. New Frontiers in Medicine
